

ADDENDUM NO. 3

RFP #26-006 Paratransit Operations and Management Services

December 4, 2025

RFP #26-006 Paratransit Operations and Management Services issued on November 3, 2025. This Addendum is being issued to clarify the RFP documents and shall supersede and supplement all portions of previously issued RFP documents with which it conflicts.

CHANGE TO FIXED-ROUTE SCHEDULE – The PVTA received notice that the Pelham to Greenfield (PG) is approved for expansion. The new schedule is attached. The date that this new schedule will take effect is to be determined. Proposers shall take this schedule adjustment into consideration when calculating operating costs. The new total estimated annual hours fixed-route is 6,513. This number has been updated on the Word version of the Cost Proposal Form posted with the RFP documents.

All other requirements of the RFP shall remain in full force and effect.
