The cost proposal is only to be submitted upon notification from PVTA.
2. ADD SUBMISSION REQUIREMENT – All respondents are required to submit, and complete in its entirety, the Standard Designer Application Form for Municipalities and Public Agencies not within DSB Jurisdiction (Updated July 2016). A copy of the standard designer application form is available with the RFQ documents on PVTA's website. This must be submitted with the technical/non-cost proposal.

All other requirements of the RFQ shall remain in full force and effect.
