ADDENDUM NO. 1

IFB #27-002 UMass LED Lighting Replacement

October 30, 2026

IFB #27-002 LED Lighting Replacement Project issued on October 26, 2026. This Addendum is being issued to clarify the IFB documents and shall supersede and supplement all portions of previously issued IFB documents with which it conflicts.

This Addendum No. 1 provides responses to the following inquiries received for the subject IFB:

INQUIRY #1: Would an Energy Services Company/Prime Contractor be able to bid this project with a MA-licensed electrical installation partner?

RESPONSE: Since all of the work required by PVTA is work of the electrical sub-trade, PVTA is soliciting bids only from persons/firms that customarily perform electrical sub-trade work with employees on its own payroll.

All other requirements of the IFB shall remain in full force and effect.
